

XII International
Symposium on Generalized Convexity and Monotonicity
August 27 - September 2, 2017, Hajdúszoboszló, Hungary

The Institute of Mathematics of the University of Debrecen, organizes the

Twelfth International Symposium on Generalized Convexity and Monotonicity,

which is the main triannual event of the Working Group on Generalized Convexity. The Symposium will take place from
Sunday, **August 27, 2017 (arrival** in the afternoon)
to Saturday, **September 2, 2017 (departure** after breakfast)
at the **Hotel Aurum in Hajdúszoboszló, Hungary.**

Hajdúszoboszló is one of the most popular bath-cities of the eastern part of Hungary. Its main attraction is its bathing complex with its famous spa, open-air bath Aquapark and the Aqua-Palace.

Every participant is invited to give a 20-minute long talk (additional 5 minutes will be scheduled for discussion after each talk). As usual, besides regular talks, there will also be a longer invited lectures.

Up till now the following **plenary speakers** have confirmed their participation at the symposium:

Francisco Facchinei
René Henrion
Alexandru Kristály
